Changes to permanent speed limits

Transport
for NSW

13 March 2014

Northern

The changes below are anticipated to take effect in the following two weeks.

Speed limits are set for all roads in NSW in accordance with the NSW Speed Zoning Guidelines. The changes outlined in the table below have been recommended following the completion and approval of a speed zone review by authorised speed zone officers.

This is advanced notice of a proposed speed limit change, however no change will occur until the relevant speed limit signs are changed.

Please ensure that you always observe the posted speed limit signs on the road.

Road name	From	To	Local Government Area	Current speed limit km/h	New speed limit km/h	Reason for change
Kennedy Drive, Tweed Heads	Minjungbal Drive	Gollan Drive	Tweed	60	50	This speed limit change better reflects recent development and improves safety for residents and road users.
Gollan Drive, Tweed Heads	Kennedy Drive	End of Gollan Drive	Tweed	60	50	As above
Scenic Drive, Tweed Heads	Gollan Drive	300 metres west of Gollan Drive	Tweed	60	50	As above
Midgen Flat Road, Newrybar	The Coast Road	1.6 kilometres east of Old Byron Bay Road	Tweed	100	80	This speed limit change will improve consistency with surrounding speed limits to provide a simpler and safer road.
