

# Safer Roads NSW

## Changes to permanent speed limits

Transport  
for NSW

22 May 2014

### Northern

The changes below are anticipated to take effect in the following two weeks.

Speed limits are set for all roads in NSW in accordance with the NSW Speed Zoning Guidelines. The changes outlined in the table below have been recommended following the completion and approval of a speed zone review by authorised speed zone officers.

This is advanced notice of a proposed speed limit change, however no change will occur until the relevant speed limit signs are changed.

**Please ensure that you always observe the posted speed limit signs on the road.**

Road name	From	To	Local Government Area	Current speed limit km/h	New speed limit km/h	Reason for change
Friday Hut Road, Binna Burra	250 metres north of Lismore Bangalow Road	250 metres south of Lismore Bangalow Road	Byron	100	50	This change applies the 50km/h urban speed limit in accordance with NSW speed zoning guidelines. This is an urban village with numerous driveways.
River Street, Kempsey	Elbow Street	200 metres south of North Street	Kempsey	60	50	This change applies the 50km/h urban speed limit in accordance with NSW speed zoning guidelines. This is an urban road with numerous driveways and kerbside parking.
Butlers Road, Bonville	900 metres west of Pine Creek Way	Gleniffer Road	Coffs Harbour	100	80	This speed limit change will improve consistency with surrounding speed limits to provide a simpler and safer road.
