

Safer Roads NSW

Changes to permanent speed limits

Transport
for NSW

17 July 2014

Sydney

The changes below are anticipated to take effect in the following two weeks.

Speed limits are set for all roads in NSW in accordance with the NSW Speed Zoning Guidelines. The changes outlined in the table below have been recommended following the completion and approval of a speed zone review by authorised speed zone officers.

This is advanced notice of a proposed speed limit change, however no change will occur until the relevant speed limit signs are changed.

Please ensure that you always observe the posted speed limit signs on the road.

Road name	From	To	Local Government Area	Current speed limit km/h	New speed limit km/h	Reason for change
M2 Motorway, Winston Hills to Baulkham Hills	200 metres south of Abbott Road overpass	270 metres west of Windsor Road overpass	The Hills	90	100	This speed limit change better reflects recent development and improves safety for residents and road users.
Kings Road, Denistone East	15 metres north east of Salter Crescent	50 metres south west of Henderson Street	Ryde	50	40 (School Zone)	The existing school zone is to be extended to create a safer environment for students and to improve visibility for oncoming motorists.
Salter Crescent, Denistone East	Kings Road	20 metres east of Kings Road	Ryde	50	40 (School Zone)	As above
