

Safer Roads NSW

Changes to permanent speed limits

Transport
for NSW

27 February 2014

Sydney

The changes below are anticipated to take effect in the following two weeks.

Speed limits are set for all roads in NSW in accordance with the NSW Speed Zoning Guidelines. The changes outlined in the table below have been recommended following the completion and approval of a speed zone review by authorised speed zone officers.

This is advanced notice of a proposed speed limit change, however no change will occur until the relevant speed limit signs are changed.

Please ensure that you always observe the posted speed limit signs on the road.

Road name	From	To	Local Government Area	Current speed limit km/h	New speed limit km/h	Reason for change
Leslie Street, Winmalee	10 metres west of Ecole Avenue	50 metres east of Ecole Avenue	Blue Mountains	50	40	The existing school zone will be extended to improve safety of students using the pedestrian access point.
Ecole Avenue, Winmalee	Leslie Street	25 metres north of Leslie Street	Blue Mountains	50	40	As above
Wascoe Street, Glenbrook	Raymond Street	Ross Street	Blue Mountains	50	40	This change introduces a school zone speed limit. School zone speed limits apply at prescribed times on government gazetted school days.
Raymond Street, Glenbrook	Wascoe Street	Park Street	Blue Mountains	50	40	As above
Park Street, Glenbrook	Raymond Street	20 metres east of Ross Street	Blue Mountains	50	40	As above
