(d) TfNSW grants to the Recipient a non-exclusive, royalty free licence to use the TfNSW Materials during the Term solely for the purpose of the Project and performing the Recipient's obligations under this Agreement.

(e) The Recipient must hold, or obtain, consents from all authors of Agreement Material for the use and adaptation of the Agreement Material by the Recipient or TfNSW, without restriction and without any requirement to attribute the Agreement Material to its authors.

(f) The Recipient represents and warrants that:

(i) it has all appropriate licences of, or title to, all Intellectual Property that is required by it for the purpose of its obligations under this Agreement; and

(ii) it has authority to assign or license (as the case may be) all Intellectual Property rights granted to TfNSW under this Agreement.

(g) The Recipient accepts all responsibility for securing and protecting the TfNSW Materials and the Agreement Materials. The Recipient must ensure that the
TfNSW Materials and the Agreement Materials are only used, copied, supplied or reproduced for the purposes of this Agreement unless it has obtained the prior written approval of TfNSW to do otherwise. Any such approval may be given on any terms or conditions TfNSW considers appropriate. Upon expiration or termination of this Agreement, the Recipient must as soon as practicable return to TfNSW the TfNSW Materials and the Agreement Materials.

(h) The Recipient must execute all documents and do all acts and things required, at its cost (unless otherwise agreed), for the purposes of giving effect to the provisions of this Agreement dealing with Intellectual Property.

9.2 Confidential Information

(a) The Recipient:

(i) must not copy, reproduce, disclose, use or otherwise deal with any Confidential Information without the prior written consent of TfNSW;

(ii) will ensure that the recipient of any Confidential Information disclosed in accordance with clause 9.2(a)(i) (Permitted Recipient) is aware of the confidentiality requirements of this Agreement and is advised that he, she or it is strictly forbidden from disclosing the Confidential Information or from using the Confidential Information other than as permitted by this Agreement; and

(iii) upon expiration or termination of this Agreement, or at TfNSW's request, must as soon as practicable return the Confidential Information to TfNSW.

(b) At its sole discretion and at any time, TfNSW may require the Recipient to arrange for a Permitted Recipient to execute a confidentiality deed in the form that is acceptable to TfNSW relating to the non-disclosure and use of Confidential Information and the Recipient must promptly arrange for such deed to be executed and provided to TfNSW.

(c) The provisions of this clause 9.2 survive termination or expiration of this Agreement.

9.3 Protection of Personal Information

(a) Without limiting any obligation that the Recipient has under any applicable privacy Laws, where the Recipient has access to Personal Information in order to fulfil its obligations under this Agreement, it must:

(i) where the Recipient is responsible for holding the Personal Information, ensure that the Personal Information is protected against loss and against unauthorised access, use, modification or disclosure and against other misuse;

(ii) where collecting Personal Information on behalf of TfNSW, comply with the Privacy and Personal Information Protection Act 1998 (NSW) as if it were TfNSW;

(iii) not use, access or disclose Personal Information other than for the purposes of the Agreement except with the prior written approval of TfNSW;
(iv) ensure that its officers, employees, agents and subcontractors comply with the Recipient’s obligations under this clause 9.3 including, when requested by TfNSW, requiring those officers, employees, agents and subcontractors to promptly sign a suitable privacy deed relating to Personal Information. The Recipient must promptly arrange for such deed to be executed and provided to TfNSW;

(v) comply with such other privacy and security measures or directions as TfNSW reasonably advises the Recipient in writing from time to time, including directions to return or destroy the Personal Information;

(vi) immediately notify TfNSW upon becoming aware of any breach of this clause 9.3; and

(vii) ensure that its subcontracts contain the same or equivalent obligations as are set out in this clause 9.3.

(b) The provisions of this clause 9.3 survive termination or expiration of this Agreement.

10. Conflict of Interest

The Recipient warrants that at the date of this Agreement, no conflict of interest exists or is likely to arise in relation to execution of this Agreement or its subject matter. The Recipient will immediately provide written notice to TfNSW upon becoming aware of the existence or possibility of a conflict of interest and the Recipient agrees to comply with TfNSW’s reasonable directions to appropriately manage the conflict of interest, within the timeframe stipulated by TfNSW in writing.

11. Subcontracting

(a) The Recipient must not, without TfNSW’s prior written approval, subcontract the performance of the Project or any obligations under this Agreement. In giving written approval, TfNSW may impose such terms and conditions as TfNSW thinks fit.

(b) The Recipient is fully responsible for the performance of all of its obligations under this Agreement, even though it may have subcontracted any of them. Despite any approval given by TfNSW, the Recipient is responsible for ensuring the suitability of a subcontractor for the work proposed to be carried out and for ensuring that such work meets the requirements of this Agreement.

(c) Prior to any subcontractor or any employee or agent of the subcontractor commencing work in respect of the Project, the Recipient must obtain from that person, and provide to TfNSW, a written assignment (in a form acceptable to TfNSW) from the person to TfNSW of the Intellectual Property created as a result of the person performing that work.

12. Compliance with Laws and policies

The Recipient must, in carrying out its obligations under this Agreement and delivering the Project, comply with:

(a) all relevant Laws, including the Disability Services Act 1993 (NSW);
(b) all applicable codes of conduct and policies that are relevant to the Project and this Agreement, including TfNSW policies;

(c) any applicable guidelines and quality assurance standards; and

(d) other requirements as TfNSW may reasonably require from time to time.

13. Acknowledgement and publicity

(a) The Recipient must obtain TfNSW’s prior written approval to each public announcement or publication the Recipient makes in respect of the activities of the Recipient under this Agreement or which mentions the Project, the Funding, TfNSW or uses TfNSW’s name or logo. TfNSW may give written pre-approval in respect of announcements and publications (including as to how TfNSW’s name or logo is to be used) and in giving such written approval, TfNSW may impose such terms and conditions as TfNSW thinks fit.

(b) TfNSW reserves the right to publicise and report on the awarding of the Funding to the Recipient and may do this by including in media releases, general announcements about the Funding and in annual reports the Recipient’s name, the amount of the Funding given to the Recipient and the title and a brief description of the Project.

(c) Where use of the TfNSW name or logo is authorised in accordance with this Agreement, use of the TfNSW name or logo must be in accordance with the TfNSW Usage Guide and any other requirements prescribed by TfNSW in its absolute discretion from time to time.

(d) Subject to prior written approval to do so and the terms of the Agreement, the Recipient acknowledges that, in respect of the Project and this Agreement, it may be required to:

(i) acknowledge the support of TfNSW in any public event, media release or media coverage; and

(ii) include an acknowledgement in a form acceptable to TfNSW in all documents, brochures, books, articles, newsletters and advertising.

(e) The provisions of this clause 13 survive termination or expiration of this Agreement.

14. Termination

14.1 Early Termination by TfNSW

(a) TfNSW may, at any time by written notice to the Recipient, terminate this Agreement in whole or reduce the scope of this Agreement without prejudice to the rights, liabilities, or obligations of either Party accruing prior to the date of termination. If this Agreement is terminated or reduced in scope TfNSW will only be liable for:

(i) subject to clause 14.1(c), payments under the payment provisions of this Agreement; and
subject to clauses 14.1(d), 14.1(e) and 14.1(f), any reasonable costs incurred by the Recipient and directly attributable to the termination of this Agreement or reduction in scope of the Agreement.

(b) Upon receipt of a notice of termination or reduction in scope the Recipient must:

(i) cease or reduce the performance of the Recipient’s obligations under this Agreement in accordance with the notice;

(ii) immediately do everything possible to mitigate all losses, costs, and expenses, arising from the termination or reduction in scope contained in the notice; and

(iii) either:

(A) immediately return any uncommitted or unspent Funding in accordance with clause 14.1(c)(ii); or

(B) deal with any uncommitted or unspent Funding as TfNSW may direct in writing in its absolute discretion.

(c) Where TfNSW terminates this Agreement under clause 14.1(a) TfNSW:

(i) will not be obliged to pay to the Recipient any outstanding amount of the Funding except to the extent that those monies have already been legally committed for expenditure by the Recipient in accordance with this Agreement and are not otherwise payable by the Recipient as a current liability (written evidence of which must be provided to TfNSW) as at the date on which the notice of termination is received by the Recipient; and

(ii) will be entitled to recover from the Recipient any part of the Funding which:

(A) has not been legally committed for expenditure by the Recipient in accordance with this Agreement and is not otherwise payable by the Recipient as a current liability as at the date on which the notice of termination is received by the Recipient; or

(B) has not, in TfNSW’s reasonable opinion, been expended by the Recipient in accordance with this Agreement;

and all such amounts will, without prejudice to any other rights available to TfNSW under this Agreement or at Law or in equity, be regarded as a liquidated debt due to TfNSW capable of being recovered as such in any court of competent jurisdiction.

(d) If there is a reduction in the scope of the Recipient’s obligations under this Agreement, TfNSW’s liability to pay any part of the Funding will, in the absence of agreement to the contrary, abate proportionately to the reduction in the obligations under this Agreement.

(e) TfNSW’s liability to pay any compensation under or in relation to this clause 14.1 is subject to:

(i) the Recipient’s strict compliance with this clause 14.1; and
(ii) the Recipient’s substantiation of any amount claimed under clause 14.1(a)(ii).

(f) TfNSW will not be liable to pay compensation for loss of prospective profits for a termination or reduction in scope under this clause 14.1 or loss of any benefits that would have been conferred on the Recipient had the termination or reduction not occurred.

14.2 Termination for Breach by the Recipient

(a) If:

(i) the Recipient fails to provide the Project to a satisfactory standard or fails to fulfil, or is in breach of any of its obligations under this Agreement, and does not rectify the omission or breach within 20 Business Days of receiving a notice in writing from TfNSW to do so;

(ii) the Recipient is unable to pay all of its debts as and when they become due and payable or compounds with its creditors or assigns any of its assets for the benefit of creditors;

(iii) proceedings are initiated with a view to obtaining an order for the Recipient’s winding up or a resolution is passed for the winding up of the Recipient;

(iv) the Recipient has a receiver or receiver and manager or administrator or liquidator or provisional liquidator appointed or id a petition is presented for the appointment of a provisional liquidator;

(v) the Recipient or any member of the Board of Directors or Committee of the Recipient is convicted of any offence involving fraud or dishonesty (whether or not that person is imprisoned), or any offence for which a term of imprisonment is imposed or brings the Recipient into disrepute;

(vi) in relation to this Agreement, the Recipient breaches any Law;

(vii) TfNSW is satisfied that any statement made in the Recipient’s application for Funding is incorrect, incomplete, false or misleading in a way which would have affected the original decision to approve the Funding;

(viii) notice is served on the Recipient or proceedings are taken to cancel the Recipient’s incorporation or registration or to dissolve the Recipient as a legal entity;

(ix) the Recipient is in receipt of TfNSW funding under any other agreement made with TfNSW and breaches that other agreement;

(x) TfNSW is not reasonably satisfied that the purposes and activities of the Recipient remain compatible with the Project; or

(xi) the Recipient, by written notice to TfNSW, ceases to provide the Project, then, in the case of any one or more of these events, TfNSW may immediately terminate this Agreement by giving written notice to the Recipient.

(b) Where TfNSW terminates this Agreement under clause 14.2(a), TfNSW:
(i) will not be obliged to pay the Recipient any outstanding amount of the Funding except to the extent that those monies have been legally committed for expenditure by the Recipient in accordance with this Agreement and are payable by the Recipient as a current liability (in which case, written evidence must be provided to TfNSW) as at the date on which the notice of termination is received by the Recipient; and

(ii) will be entitled to recover from the Recipient any part of the Funding which:

   (A) has not been legally committed for expenditure by the Recipient in accordance with this Agreement and is not otherwise payable by the Recipient as a current liability as at the date on which the notice of termination is received by the Recipient; or

   (B) has not, in TfNSW’s opinion, been expended by the Recipient in accordance with this Agreement.

(c) If the Recipient does not repay to TfNSW the amount referred to in paragraph 24.2(b)(ii) within 10 Business Days of receipt of the notice of termination (or such longer period as may be specified by TfNSW in the notice of termination) the Recipient must also pay TfNSW Interest on the outstanding amount which the Recipient acknowledges represents a reasonable pre-estimate of the loss incurred by TfNSW as a result of the loss of investment opportunity for, or the reasonable cost of borrowing other money in place of the amount which should have been repaid. The amount set out in the notice of termination, and Interest owed under this clause 14.2 will, without prejudice to any other rights available to TfNSW under this Agreement or at Law or in equity, be recoverable by TfNSW as a liquidated debt due to TfNSW by the Recipient.

(d) Nothing in this clause 14.2 operates to limit or exclude any of TfNSW’s other rights, including the right to recover any other amounts from the Recipient on termination of this Agreement.

15. Indemnity, Release and Insurance

15.1 Indemnity and Release

(a) To the maximum extent permitted by Law, the Recipient agrees to indemnify and keep indemnified TfNSW and its officers, employees and agents from and against all actions, proceedings, claims, demands, losses, costs, liabilities and expenses (including the costs of defending or settling any of these) in respect of:

   (i) the death or illness of, or injury to, any person;

   (ii) loss of or damage to any property; or

   (iii) economic loss,

directly or indirectly caused by, or arising out of or in connection with, the Project, the Funding, this Agreement, or any other understanding between the Recipient and TfNSW, except where such liability arises from any unlawful or negligent act or omission by TfNSW or its officers, employees and agents while in the course of their duties.
The indemnity contained in this clause 15.1 is a continuing obligation separate and independent from any of the Recipients other obligations or responsibilities and will survive termination or expiration of this Agreement.

15.2 Insurance

(a) The Recipient must ensure when carrying out its obligations under this Agreement that it exercises the highest level of care and skill so as not to cause loss or damage to the property of, or personal injury or death to, any person.

(b) The Recipient agrees that it has undertaken an assessment of the risks associated with the Project and this Agreement and has arranged, and will continue to maintain for as long as any obligations remain in connection with this Agreement, adequate and appropriate insurance cover to protect:

(i) its physical assets against loss and/or damage;

(ii) TfNSW’s interests under this Agreement;

(iii) the Recipient against legal liability risk for personal injury and/or property damage or other financial loss claims including, without limitation:

(A) public liability;

(B) directors’ and officers’ liability; and

(C) professional indemnity;

(iv) the Recipient’s volunteers for personal injury risk arising during voluntary duties; and

(v) the Recipient’s employees by maintaining all insurances required under the Workers Compensation Act 1987 (Cth).

(c) The Recipient acknowledges that the insurances in this clause 15.2 may not cover all of its risks and that it may effect and maintain such additional insurances as it considers necessary.

(d) The Recipient must ensure that any contractor or subcontractor engaged in connection with this Agreement maintains, as a minimum, insurances of the same type as specified in this clause 15.2 with an insurer recognised by the Australian Prudential Regulation Authority or regulated by a State/Territory Auditor-General. Whenever requested, the Recipient must provide TfNSW with evidence satisfactory to TfNSW that all contractors and subcontractors have complied with their obligation to insure.

(e) On or before the date of this Agreement, and thereafter whenever requested by TfNSW from time to time, the Recipient must provide TfNSW with evidence satisfactory to TfNSW that the Recipient has complied with its obligation to insure.

16. Dispute Resolution

(a) Subject to clause 16(c), both Parties agree not to commence any legal proceedings in respect of any dispute arising under this Agreement, which
cannot be resolved by informal discussion, until the procedure provided by this clause 16 has been utilised and fully exhausted.

(b) Both Parties agree that any dispute or difference arising during the course of this Agreement will be dealt with as follows:

(i) the Party claiming that there is a dispute or difference will send the other Party a written notice setting out the nature of the dispute;

(ii) the Parties will try to resolve the dispute though direct negotiation by persons who they have given authority to resolve the dispute;

(iii) the Parties have 10 Business Days (or such extended time as the Parties may agree in writing) from the receipt of the written notice referred to in clause 16(b)(i) to reach a resolution or to agree that the dispute is to be submitted to mediation or some alternative dispute resolution procedure; and

(iv) If:

(A) there is no resolution of the dispute;

(B) there is no agreement on submission of the dispute to mediation or some alternative dispute resolution procedure; or

(C) there is a submission to mediation or some other form of alternative dispute resolution procedure, but there is no resolution within 15 Business Days of the submission, or such extended time as the Parties may agree in writing before the expiration of the 15 Business Days,

then, either Party may commence legal proceedings.

(c) A Party must not commence legal proceedings in relation to a dispute unless:

(i) the Parties have fully exhausted all attempts to resolve the dispute or difference in good faith and in accordance with the procedure outlined in clause 16(b) and the dispute or difference has not been successfully resolved; or

(ii) a Party is seeking urgent interlocutory relief.

(d) If a dispute or difference exists, each Party must continue to perform its obligations under this Agreement.

(e) This clause 16 does not apply to any allegations or any complaint about any issues that are criminal in nature.

       binding on that Party if it is given or confirmed in writing by that Party.

   documents (in form and content reasonably satisfactory to the other Party) required by
   Law or reasonably requested by the other Party to give effect to this Agreement.

18.6 Consents
   A consent or approval required under this Agreement from a Party may be given or

   discretion) thinks fit, unless this Agreement expressly provides otherwise.

       reasonably required to give effect to the assignment, novation or other dealing.

18.8 No representation or reliance
   (a) Each Party acknowledges that no Party (nor any person acting on a Party’s
       behalf) has made any representation or other inducement to it to enter into this
       Agreement, except for representations or inducements expressly set out in this
       Agreement.
   (b) Each Party acknowledges and confirms that it does not enter into this Agreement
