Project ID	Liveable and Safe Urban Communities /Saving Lives on Country Roads	Project Location - Description	Road name	LGA	Electorate	Total Capital Cost (\$)	2022-2023 Cost	2023-2024 Cost	2024-2025 Cost
Project-5360	Liveable and Safe Urban Communities	Hume Highway, north of Governor Macquarie Drive, Warwick Farm - Installation of raised median to protect vehicles from utilities	Hume Highway	Liverpool	Liverpool	\$310,000	\$310,000		
Project-4945	Liveable and Safe Urban Communities	Victoria Rd and Silverwater Rd, Rydalmere - Installing larger traffic light lanterns	Victoria Road	Parramatta	Albury	\$70,000	\$70,000		
Project-5127	Liveable and Safe Urban Communities	Stewart Street and Kissing Point Road, Dundas Valley - Enhancing existing traffic lights to introduce a right turn arrow and additional right turn lane	Stewart Street	Parramatta	Parramatta	\$980,000	\$50,000	\$930,000	
Project-5126	Liveable and Safe Urban Communities	Marsden Road at Stewart Street, Dundas Valley - Installing larger traffic light lanterns	Marsden Road	Parramatta	Ryde	\$82,000	\$82,000		
Project-5457	Liveable and Safe Urban Communities	Mulgoa Road between M4 Motorway, Jamisontown and Park Road, Wallacia - Installation of new and extending existing safety barriers and delineation (signs and lines)	Mulgoa Road	Penrith	Mulgoa	\$1,342,102	\$65,000	\$1,277,102	
Project-5665	Liveable and Safe Urban Communities	Mulgoa Road and Roscrea Drive, Mulgoa - Widen existing shoulder and right turn facility	Mulgoa Road	Penrith	Mulgoa	\$1,500,000	\$80,000	\$1,420,000	
Project-5338	Liveable and Safe Urban Communities	Great Western Highway, Emu Plains - Install a raised median, improve traffic light phasing to enable safer pedestrian crossings	Great Western Highway	Penrith	Penrith	\$1,005,000	\$215,000	\$790,000	
Project-5288	Liveable and Safe Urban Communities	Alison Road, Belmore Road and Cook Street, Randwick - Improve line marking and improving traffic light phasing to enable safer pedestrian crossings	Alison Road	Randwick	Coogee	\$874,900	\$64,200	\$810,700	

Project ID	Liveable and Safe Urban Communities /Saving Lives on Country Roads	Project Location - Description	Road name	LGA	Electorate	Total Capital Cost (\$)	2022-2023 Cost	2023-2024 Cost	2024-2025 Cost
Project-5385	Liveable and Safe Urban Communities	Sir Bertram Stevens Drive, Royal National Park - Development funding to investigate mitigations of road safety issues at this location and widening existing shoulder	Sir Bertram Stevens Drive	Sutherland	Heathcote	\$800,000	\$100,000	\$700,000	
Project-5546	Saving Lives on Country Roads	Waterfall Way at Fernbrook - Widen existing shoulders, installing safety barrier and improve existing delineation (signs and lines)	Waterfall Way	Bellingen	Oxley	\$1,215,000	\$100,000	\$1,115,000	
Project-5597	Saving Lives on Country Roads	Waterfall Way at Deer Vale - Widen existing shoulders, install safety barrier and improve delineation (signs and lines)	Waterfall Way	Bellingen	Oxley	\$1,504,000	\$100,000	\$1,404,000	
Project-3444	Liveable and Safe Urban Communities	Central Coast Highway at York Street, Wells Street and Webb Street, East Gostford - Closing access at the intersection to reduce conflict points at these intersections, where road users will be redirected to safer crossing locations and installing new wombat crossings	York Street	Central Coast	Gosford	\$1,650,000	\$150,000	\$1,500,000	
Project-6114	Saving Lives on Country Roads	Iluka Road, from Woombah to Iluka - Widen existing shoulders and existing clear zones	Iluka Road	Clarence Valley	Clarence	\$1,515,500	\$300,000	\$1,215,500	
Project-5530	Saving Lives on Country Roads	Gwydir Highway, east of Waterloo Road, Matheson - Widen existing shoulder, improve existing road surface and installing new safety barrier	Gwydir Highway	Glen Innes Severn	Northern Tablelands	\$1,231,500	\$100,000	\$1,131,500	
Project-5432	Saving Lives on Country Roads	Oxley Highway, Carroll - Widen existing shoulder, installing new safety barrier and delineation (signs and lines)	Oxley Highway	Gunnedah	Tamworth	\$1,185,500	\$100,000	\$1,085,500	

Project ID	Liveable and Safe Urban Communities /Saving Lives on Country Roads	Project Location - Description	Road name	LGA	Electorate	Total Capital Cost (\$)	2022-2023 Cost	2023-2024 Cost	2024-2025 Cost
Project-5599	Saving Lives on Country Roads	Kamilaroi Highway - Route Safety Review - Development funding to investigate mitigations of road safety issues along the full length	Kamilaroi Highway	Gunnedah	Tamworth	\$200,000	\$200,000		
Project-5436	Saving Lives on Country Roads	Bruxner Highway at Mallanganee - Install safety barrier and delineation (signs and lines)	Bruxner Highway	Kyogle	Lismore	\$1,192,000	\$100,000	\$1,092,000	
Project-5553	Saving Lives on Country Roads	Summerland Way at Umgar - Widen existing shoulder and safety barrier	Summerland Way	Kyogle	Lismore	\$1,050,000	\$100,000	\$950,000	
Project-5510	Saving Lives on Country Roads	Summerland Way, Cedar Point - Install safety barrier, improve existing intersection configuration and install delineation (signs and lines)	Summerland Way	Kyogle	Lismore	\$686,000	\$50,000	\$636,000	
Project-3443	Liveable and Safe Urban Communities	Glebe Road to King Street, Hamilton South - Development funding to investigate mitigations of road safety issues along this length	Stewart Avenue	Newcastle	Newcastle	\$500,000	\$500,000		
Project-5438	Saving Lives on Country Roads	Oxley Highway, Long Flat - Widen existing shoulder, installing new safety barrier (inc. motorcycle underrun barrier) and delineation (signs and lines)	Oxley Highway	Port Macquarie-Hastings	Oxley	\$3,721,550	\$150,000	\$3,571,550	
Project-5344	Saving Lives on Country Roads	Lemon Tree Passage Road, Oyster Cove - Widen existing shoulder, install safety barrier and install delineation (signs and lines)	Lemon Tree Passage Road	Port Stephens	Port Stephens	\$1,490,000	\$75,000	\$1,415,000	
Project-5343	Saving Lives on Country Roads	Bucketts Way, Twelve Mile Creek - Widen existing shoulders, install safety barrier, install delineation (signs and lines), and correct poor road geometry	Bucketts Way	Port Stephens	Port Stephens	\$3,380,000	\$95,000	\$1,785,000	\$1,500,000

Project ID	Liveable and Safe Urban Communities /Saving Lives on Country Roads	Project Location - Description	Road name	LGA	Electorate	Total Capital Cost (\$)	2022-2023 Cost	2023-2024 Cost	2024-2025 Cost
Project-4822	Saving Lives on Country Roads	Golden Highway at Uarbri Road, Cassilis - Widen existing shoulder, installing new safety barrier, improve curve realignment and delineation (signs and lines)	Golden Highway	Upper Hunter	Upper Hunter	\$1,260,000	\$260,000	\$1,000,000	
Project-5508	Saving Lives on Country Roads	New England Highway, from Muswellbrook to Willow Tree - Development funding to investigate mitigations of road safety issues along this length	New England Highway	Upper Hunter	Upper Hunter	\$500,000	\$500,000		
Project-5487	Saving Lives on Country Roads	Golden Highway, Singleton to Urabry - Development funding to investigate mitigations of road safety issues along this length	Golden Highway	Upper Hunter	Cessnock	\$550,000	\$550,000		
Project-4602	Saving Lives on Country Roads	Hume Highway, Tabletop - Install safety barrier	Hume Highway	Albury	Albury	\$1,275,000	\$275,000	\$1,000,000	
Project-5015	Saving Lives on Country Roads	Snowy Mountains Highway, west of Princes Highway, Coopers Gully - Widen existing shoulder and delineation (signs and lines)	Snowy Mountains Highway	Bega Valley	Bega	\$940,000	\$75,000	\$865,000	
Project-5005	Saving Lives on Country Roads	Snowy Mountains Highway 500m east of Coopers Gully Road, Coopers Gully - Install wide centreline, widen shoulder and install safety barrier	Snowy Mountains Highway	Bega Valley	Bega	\$875,000	\$75,000	\$800,000	
Project-4604	Saving Lives on Country Roads	Hume Highway at Mundarlo - Install vehicle activated signs and install safety barrier	Hume Highway	Cootamundra -Gundagai	Cootamundra	\$815,000	\$465,000	\$350,000	
Project-4584	Saving Lives on Country Roads	Hume Highway at Kyeamba - Install vehicle activated signs and install safety barrier	Hume Highway	Greater Hume	Wagga Wagga	\$1,516,611	\$100,000	\$1,416,611	
Project-5448	Saving Lives on Country Roads	Kings Highway near Bungendore - Widen existing shoulder and install median barrier	Kings Highway	Queanbeyan-Palerang Regional	Monaro	\$805,800	\$80,000	\$725,800	

Project ID	Liveable and Safe Urban Communities /Saving Lives on Country Roads	Project Location - Description	Road name	LGA	Electorate	Total Capital Cost (\$)	2022-2023 Cost	2023-2024 Cost	2024-2025 Cost
Project-5635	Liveable and Safe Urban Communities	Lake Entrance Road, at Wattle Road and Madigan Boulevard, Shellharbour - Development funding to investigate mitigations of road safety issues at this location to install raised safety platforms	Lake Entrance Road	Shellharbour	Shellharbour	\$176,300	\$176,300		
Project-5052	Saving Lives on Country Roads	Monaro Highway, Nimmitabel - Install wide centreline, widen existing shoulder and delineation (signs and lines)	Monaro Highway	Snowy Monaro Regional	Monaro	\$1,355,500	\$100,000	\$1,255,500	
Project-5108	Liveable and Safe Urban Communities	M1 Motorway from Mt Keira Road to Masters Road, Figtree - Install safety barrier	Princes Motorway	Wollongong	Wollongong	\$2,013,200	\$200,000	\$1,813,200	
Project-5088	Liveable and Safe Urban Communities	Picton Road at Cordeux Dam Road, Cataract - Widen existing shoulder and install safety barrier	Picton Road	Wollongong	Wollondilly	\$4,000,000	\$300,000	\$3,700,000	
Project-4767	Saving Lives on Country Roads	Stephens Street, Binalong - Install safety barrier and intersection upgrades	Stephens Street (Burley Griffin Way)	Yass Valley	Goulburn	\$1,090,000	\$250,000	\$840,000	
Project-4877	Saving Lives on Country Roads	Newell Highway and Wyndham, Forbes - Improve existing intersections	Newell Highway	Forbes	Orange	\$666,745	\$100,000	\$566,745	
44						\$55,855,872	\$8,096,591	\$46,259,281	\$1,500,000
